...that none perish
2 Peter 3:9

**Missionary/Chaplain
Cherie Dunford**

It is estimated that in America...

- Only 3% of Christians are consistently sharing the gospel (Source: Lifeway Research)
- Approximately 8,000 people die every day in our nation; (Source: www.census.gov/popclock).
- This year 3 million people will die
- I wonder how many will die without Jesus?
